"Getting Things Done In Illinois"

State of Illinois
Department of Human Services
Division of Community Health and Prevention

General Information

AmeriCorps is a national service program that involves people in "getting things done" in communities. AmeriCorps Members develop an ethic of service while strengthening local communities. Illinois has 21 AmeriCorps*State programs in operation in the 2006-2007 program year and more than 700 Members committing to a year of service. The charge of individual AmeriCorps programs are determined by the local needs of communities with many focusing on education, human service and support needs, environmental quality, public health, or public safety.

AmeriCorps*State programs are administered by the Illinois Commission on Volunteerism and Community Service. The mission of the Illinois Commission is: *"To improve Illinois communities by supporting and enhancing volunteerism and community service."* The Illinois Commission strives to realize its mission through the engagement of communities, schools, businesses, governmental entities, and faith- and community-based organizations in the implementation of volunteerism, national service, and community service goals. As a Governor-appointed commission of the State of Illinois housed within the Illinois Department of Human Services, the staff and commissioners of the Illinois Commission seek to maintain a high level of statewide engagement, promotion, and successful completion of the volunteerism and community service priorities identified and approved annually by the Commission.

Jumpstart for Young Children Jumpstart Illinois

Program Description:

Jumpstart is working towards the day that every child in America enters school prepared to succeed. We are making measurable strides towards this goal by pairing civically-minded college students with underserved preschoolers in year-long learning partnerships. For two hours, twice each week Jumpstart AmeriCorps members work one-on-one with their partner children, using interactive reading techniques as a foundation to build the language and literacy skills these children will need to fully benefit from the first years of school.

Literacy Volunteers of Illinois VOCAL AmeriCorps (Volunteer Outreach for Community Action in Literacy)

Program Description:

The goal of the VOCAL program is to assist community, school and faith-based agencies in providing increased services to low literate individuals in their communities through a three-pronged approach that consists of: One-to-one and small group tutoring by AmeriCorps members; recruitment of volunteers to serve as one-to-one and small group tutors; and, a member training and development program that will instill in program participants a lifelong ethic of service, as well as provide them with the training and hands-on experience they need should they choose to pursue a career within the adult education field.

Lutheran Social Services of Illinois AmeriCorps Prisoner and Family Ministries - LSSI

Program Description:

LSSI's Prisoner and Family Ministry programs exist to support families, strengthen relationships, and involve the community in restoring all people affected by crime. AmeriCorps members will assist in facilitating children visits to incarcerated parents in order to maintain the connection of parents to their children by providing transportation. Members will assist incarcerated parents in recording books on tapes and sending them to the children. Support services will be provided to the caregivers of children whose parents are incarcerated. In addition, members will provide resources to formerly incarcerated men and women to reestablish themselves in local communities of Chicago, Des Plaines, Marion, Springfield, and Rockford.

PCC Community Wellness Center PCCs Westside AmeriCorps Program

Program Description:

Through intensive outreach and intervention, AmeriCorps members assist individuals in accessing needed healthcare and social services. Three unique target populations are served: the Maternal-Child Team reaches out to high-risk new moms and babies, the Family Support Team assists with elevated lead levels and controlled asthma which makes them at risk for poor health and social outcomes, and the Healthy Lifestyles Teams assist individuals with diabetes or at risk for developing diabetes based on health indicators.

Public Allies Chicago

Program Description:

Through our AmeriCorps program, Public Allies Chicago advances diverse young leaders to strengthen communities, non-profits, and civic participation. Community needs are met by providing enthusiastic young adults to provide full-time service at community and faith-based organizations that identify how we can best help them meet educational, community, economic, and health outcomes. The needs of nonprofit organizations are met by helping them develop sustainable projects and linking them with resources and partnerships to strengthen their services. Civic participation needs of the community are addressed by preparing young leaders to act as catalysts for the involvement of others, especially by recruiting volunteers from the community they serve.

Illinois AmeriCorps*State Programs

Rend Lake College Land of Lincoln AmeriCorps/ Southern Seven AmeriCorps

Program Description:

Southern Seven AmeriCorps is an expansion of Land of Lincoln AmeriCorps. Land of Lincoln AmeriCorps utilized the talents of Illinois college students to provide tutoring and mentoring services to Illinois elementary and middle school students. Land of Lincoln AmeriCorps is a collaboration of eight community colleges and one State University seeking to better link Illinois college students with their communities in an effort to assist children and youth in achieving their fullest academic and social potentials. The program focuses on literacy issues for targeted emerging learners and homework completion and attitude toward participation for middle school, teacher-referred students in thirty-two Pre-K through 8th grade schools. Southern Seven AmeriCorps provides full-time volunteers for ten community and faith-based organizations in the seven most southern counties in Illinois. Members commit to one full year serving at such places as battered women's centers, homeless shelters, computer and family literacy labs, mentoring centers, and environmental and resource conservation education centers.

Illinois AmeriCorps*State Programs

Sauk Valley Community College AmeriCorps Benefits the Community (ABC)

Program Description:

The mission of ABC AmeriCorps is to work with children, youth, and families in education programs and community-based agencies to increase academic and life skills. The Program has a three-prong effort to increase the quality of life in northwest Illinois: 1) service in the schools and agencies, 2) community service projects, and 3) an awareness of the needs of the community to encourage the members to be life-long volunteers as alumni of ABC AmeriCorps. AmeriCorps members tutor teacher-identified students to increase the skills needed for academic improvement. The sites for this tutoring are public and parochial schools, and after-school programs. AmeriCorps members serve in community-based agencies to provide the opportunity for expansion of services. They recruit and train volunteers for community service activities. Through a partnership with the American Red Cross, members can become trained to be disaster volunteers. AmeriCorps members will increase their belief over the term of service that they can participate in and improve civic life.

Illinois AmeriCorps*State Programs

Southwestern Illinois College Belleville AmeriCorps

Program Description:

Belleville AmeriCorps supports neighborhood and school efforts to strengthen the community of Belleville and to stabilize two multi-cultural neighborhoods targeted by Abraham Lincoln Neighborhood Association (ALNA) and Franklin Neighborhood Community Association (FNCA). Belleville AmeriCorps recruit community volunteers to support neighborhood activities, develop safe and educational places for youth in free time hours, and increase youth academic success. Members also promote computer literacy in adults and children and encourage volunteerism in community youth, adults, and coordinators.
